GFZ German Research Centre for Geosciences

International Training Course on „SEISMOLOGY, SEISMIC DATA ANALYSIS, HAZARD ASSESSMENT AND RISK MITIGATION“

17 September to 19 October, 2012, Morocco
(Arrival on 15/16 September - Departure on 20/21 October, 2012)

Application
(deadline for submission is June 15, 2012)

picture

1. Surname: .....

First (given) name: .....

Academic degree: .....

Sex: .....

Date of birth (dd/mm/yy): .....

Marital status: .....

Nationality at present: .....

2. Profession: .....

Affiliation/Institution: .....

Business address:

.....

Telephone: ..... Fax: .....

E-mail: .....

3. Field of scientific activity/duties of work:

.....

4.1 Are you able to make a scientific contribution to one of the various topical workshops?

yes ◯ no ◯

If yes, please give the title and add the abstract.

.....

4.2 Are you interested to use in the exercises on seismogram analysis your own digital recordings or can you present in the workshops other kind of original data or software relevant to your problems?

yes ◯ no ◯

If yes, please specify: _____

5. Are you able to give an evening cultural presentation? yes ◯ no ◯

If yes, please indicate kind of presentation:

.....

6. Are you working at or operating a seismic station or seismic network centre in your country? Please specify (WWSSN, GSN, GEOFON, GEOSCPOPE, MEDNET, others?)

.....

7. Command of English:

a) understanding	◯ full	◯ moderate	◯ poor
b) speaking	◯ full	◯ moderate	◯ poor

8. Please provide a letter of motivation! (1/2 - 1 page)

9. Can you/your institution pay for your travel? ◯ yes ◯ uncertain ◯ no

10. Cost of the cheapest two-way ticket from your country to Morocco (Casablanca or Rabat) in EURO / US$:

.....

11. **Statement:** With my signature below I confirm that I have carefully read the section 2 of the circular and that I accept the conditions as laid down therein and that I will, when accepted, conclude a travel and health/medical insurance for the duration of the course.

Date: ..... Signature: .....

The application can be sent by mail, fax or in a scanned form by email and should have reached the secretariat not later than June 15, 2012.

Please attach:
- ☐ - Two letters of recommendation
- ☐ - List of scientific publication
- ☐ - Abstract of your intended workshop presentation/ demonstration
- ☐ - English language certificate
- ☐ - Letter of Motivation
